That is a Business Man's Day

A place of his own, cosily inviting him to undisturbed comfort at the end of each wearisome day is a joy to every man.

Soft colors have a distinctly soothing effect upon a tired brain.

A Whittall Royal Worcester  
or a Whittall Taprac Rug

makes an ideal corner-stone upon which to build just such a room. The colorings are soft and rich and the extremely high pile into which the foot sinks luxuriously at the very step elicits a sigh of satisfaction from the weary.

And after all it's the "Beginnings" in this world that are hard.

A Whittall Rug Starts You Right

Miss Helen Averill of Boston arrived in the city Saturday for a 10 days' visit at her home on North street.

Crandall post, G. A. R., has secured Representative George W. Stone of Vergennes for Memorial day speaker in Barre.

Mrs. Norman Murray returned Saturday to her home in Graniteville, after being in the City hospital 16 weeks for treatment.

The campus girls and guardians of the Congregational church are requested to meet in the church vestry at 4:15 tomorrow afternoon (Tuesday).

The people of Graniteville are expecting a rare treat next Tuesday evening, March 16, when S. Hollister Jackson, attorney-at-law, will give them "A Peep into the Future."

Mr. and Mrs. L. D. Smith and Mrs. Cora Page of Williamstown were visitors in the city Saturday while on their way to Morrisville, where they will spend several days with relatives.

Mr. and Mrs. Walter Gearson, who have been visiting at the home of Mr. and Mrs. D. F. Davis of Maple Grove and with relatives in the city for a few days, returned to the city to Vergennes, where they are employed in the state industrial school.

Peter MacQueen, F. R. G. S., the well known writer and war correspondent, who has been representing Leslie's in the great war, followed the allies on the battlefields of northern France. Having no permit from the ministry of war, he was arrested and tried by court martial, but was acquitted, and given permission to forward this graphic account of the war. Hear him and see his 200 pictures at the opera house on March 17. Adults, 25c; students, 15c.

Funeral services for Miss Margaret May LaValley, the little daughter of Mr. and Mrs. Edward LaValley of 10 Mount street, whose death occurred Saturday morning, after a short illness of pneumonia, were held at the house this afternoon at 2 o'clock. Rev. J. B. Reardon, pastor of the Universalist church, was the officiating clergyman, and the remains were placed in the receiving vault at Elmwood cemetery.

Mr. and Mrs. George B. Milne of Spaulding street and the latter's mother, Mrs. John H. Jones of Tremont street, left to-day for an extended trip through the western states. They will make a brief sojourn in Denver and other Colorado cities before proceeding to San Francisco to attend the Panama-Pacific exposition. The party will be absent from Barre several months.

The next rehearsal of the Montpelier Choral society will be held in the city hall at Montpelier Tuesday at 8 p. m. It is desired to have the largest chorus yet assembled and if any have not been invited to join and wish to do so, be sure to be on hand, since it is not possible for the membership committee to see everyone. A special feature of the rehearsal will be the selection of Messrs. Baine, Fisher, Mackay and Smith during the intermission. Mr. Coffin especially desires a full attendance of the men to work upon the special male chorus, Schubert's "Omnipotence."

Division No. 1, A. O. H., and the ladies' auxiliary have completed arrangements for the observance of St. Patrick's day and a good time is assured to the patrons and their friends who attend the celebration, which will be held in Howland hall on the evening of Wednesday, March 17. The program arranged is as follows: St. Patrick's supper served from 6 to 7:30 o'clock; musical and literary program; address by Dr. J. J. Derven of Poultney, state president of the A. O. H.; laughable farce entitled, "Rooms to Let," by the Newman Dramatic club. The admission fee has been placed within the reach of all; entertainment and supper 35c; children 25c. An invitation to the public is cordially extended.

Professional rules are to obtain in the basketball match which the Shamrock A. C. of this city will play with St. Michael's college of Winooski in the armory building at the capital next Friday evening. John Bartlett, one of the Montpelier members of the Shamrock contingent, is making the necessary arrangements for the contest and followers of the sport in the intercity have been assured that the game will be a fitting climax to the basketball fixtures on the calendar this winter. A few weeks ago the Shamrocks lost to the collegians in a warm contest at Winooski park. The fact that schoolboy rules are to be disregarded in favor of the professional rules indicates that the game will be contested much more evenly.

Tidings have reached Barre of the death of Mrs. Annie L. Hutton of Springfield, Mass., which occurred in the Springfield hospital Friday night. Mrs. Hutton was the widow of Homer C. Hutton and formerly numbered many acquaintances in Barre and Montpelier. She was born in Topham 35 years ago and for several years, or until 1912 she resided in Montpelier. She is survived by two sons, James C. Hutton and Frank R. Hutton of Springfield; two brothers, Clayton L. Emery and Clinton L. Emery of Worcester, Mass.; and a sister, Mrs. Henry C. Martin of Topham. Funeral services were held in Springfield Saturday afternoon at three o'clock, the officiating clergyman being Rev. E. A. Elliott, pastor of the church where Mrs. Hutton attended during her residence in Springfield. The remains left the Massachusetts city this morning for Topham, where interment will be made.

Spring is in the air and in the newspapers. While the farmer sees nothing but a dreary waste of snow on his fields, the first chickadee in West Swanton is seen to be reported; rattlesnakes have been seen in Vergennes and the ice is bidding goodbye to the brooks in Chester. Also, the first grass fire of the season has occurred. Small boys suspected of smoking caused one of the smudges which break out on the Ayres street driving park at some occasional intervals and regularly from the fire station, who hurried to the park in the auto truck Sunday afternoon at 4:15 o'clock, had to extend themselves mightily before the creeping blaze could be headed. Fire was jeopardizing the property of V. E. Ayres when someone called headquarters. The regulars worked with hoses, backlines and rubber coats. Sections of the wooden fence along the southeast corner of the park were blackened by the fire, but the burning did not become violent. The damage was trifling, but the blaze may serve to warn other people of the danger attending to outdoor bonfires at this time of the year.
